

EXHIBIT 2

[REDACTED – PUBLIC VERSION]

Technical Explanation of the Parameters Found in the Agreement Specs

The following is an explanation of the Parameters listed in Annex 1.

The image consists of six horizontal black bars arranged vertically. Each bar has a small yellow rectangular highlight at its left end. The bars are of varying lengths, with the first bar being the longest and the sixth bar being the shortest. The background is white.

The image consists of a series of horizontal bands. The top band is black with a thin white stripe on the right. Below it is a thick black band with a white stripe on the left. The third band is black with a thick white stripe in the center. The fourth band is black with a thin white stripe on the right. The fifth band is black with a thick white stripe in the center. The bottom band is black with a thin white stripe on the right. The entire image is framed by a thick black border. A small yellow vertical bar is visible on the far left edge.
